

DON'T TAKE MY WORD FOR IT

By FRANK COLBY

ONE OF AGAIN

In a recent article on the "one of" construction, I gave these as the "right" and "wrong" examples: Wrong: "He is one of those men who is always polite." Right: "He is one of those men who are always polite." Wrong: "She is one of the girls who is graduating." Right: "She is one of the girls who are graduating."

I seldom inflict tiresome grammatical rules upon my readers, but this "one of" matter needs clearing up once and for all. So let us turn to page 205 of Webster's dictionary. "The College Handbook of Composition."

"The relative pronoun following 'one of' expressions refers not to the singular but to the plural object of the phrase. Right: 'He is one of those men who talk too much.'"

What You Buy With WAR BONDS

Essential in the equipment of every soldier, sailor, Marine or flyer is a first aid kit, consisting of bandages and antiseptics for immediate use. These materials are packed into a compact box and cost about \$1.00 each.

FUN FOR YOUR FAMILY

By MISS ABBIE CONDIT

If you are a member of an organization and who isn't—you have been faced at one time or another with the problem of raising money for some worthy cause. Have you thought of having an outdoor affair which might be known as a country carnival or outdoor village fair? Such an event, because it is really first cousin to the ever popular picnic, can provide a really good time but also a means of raising money.

Don Day

Pamplin News Letters

Pamplin, Aug. 28. Mr. and Mrs. G. S. Hadden, of Lynchburg, were Sunday guests in the home of Mr. and Mrs. W. B. Brightwell, of New York.
